DEAD AIR · CHANNEL 13

Analogue horror without gore: a broadcast at 03:13, a Signal meter and an Emergency Broadcast Hold & Win.

Signal

Every test card brings something one step closer. The meter keeps its thirteen steps per bet; full, or three cards at once, and it's in the building.

Emergency Broadcast

Six or more sightings lock for three respins that reset with every new one. Advisory, Alert and Emergency plates; fill all fifteen for End of Broadcast.

It's in the Building

Eight transmissions. Something crawls along a route of adjacent monitors and they turn into EYE wilds. Above 250× the celebration runs in reverse: silence, black, one line and the figure.

ADAPTABLE AFTER SCOPING

Languages, currencies and market profiles · RTP version and bet range · integration with your RGS or API · lobby art and labels for your brand. Each change is assessed first: scope, timing, and whether it needs new math or a new certification.

Figures from the game's math report (exact calculation and simulation), version DA13-N1. Not certified by a test lab. Fictional credits only — no real-money play. 18+.
